Dear Shareholder

Annual General Meeting

I am pleased to enclose the notice (the “Notice”) convening the forthcoming Annual General Meeting (“AGM”) of shareholders of Centamin plc (the “Company” or “Centamin”) to be held on 23 May 2023 at Dukes London, 35 St. James’s Place, London, SW1A 1NY at 10:00 am (BST) (the “Meeting”). The business to be considered by shareholders at the AGM is set out in this document, which includes explanatory notes on each of the Resolutions.

Attendance at the AGM

This year we are holding the AGM in London and we will look to alternate the locations each year between Jersey (Channel Islands) (where we are incorporated) and London. This will allow more opportunities for participation at the AGM. The AGM is an opportunity to meet members of the Board and our senior management team and we welcome shareholders who can attend. For shareholders unable to attend in person, the Company will host a webcast of the Meeting. There will be a short presentation by the Executive Directors at the Meeting and an opportunity for shareholders to raise questions.

Any update to, or any change to, the arrangements for the AGM will be published on the Company’s website www.centamin.com and via a regulatory news announcement.

Shareholder voting

Shareholders will be able to complete and submit their votes in advance of the Meeting, either online or by completing and returning the Proxy Form to the registrar as soon as possible, and no later than 10.00 am (BST) on 19 May 2023, appointing the chair of the Meeting as their proxy (Canadian shareholders must return the form of proxy no later than 10.00 am (BST) on 18 May 2023). This will ensure that shareholder votes will be counted if a shareholder is unable to attend in person.

All Resolutions for consideration at the AGM will be voted on a poll, rather than on a show of hands, and all valid proxy votes cast will count towards the poll votes. The Company considers this to be a more transparent method of voting as each shareholder has one vote for every share held.

Annual Report

An interactive version of the Company’s 2022 Annual Report and Accounts can be found on our website at www.centamin.com.

Final Dividend

Shareholders are being asked to approve a final dividend of 2.5 US cents (US\$0.025) per ordinary share (c.US\$29 million) bringing the total proposed dividend attributed to the full year 2022 to 5 US cents (US\$0.05) per ordinary share totalling c.US\$58 million.

If shareholders approve the recommended final dividend, the dividend will be paid on 23 June 2023 to shareholders on the register on 2 June 2023. The dividend will be paid in US dollars with an option for shareholders to elect to receive the dividend in pounds sterling (“GBP”). This sterling election must be made no later than 5 June 2023. Payments in GBP will be based on the US dollar (“USD”)/GBP exchange rate on 6 June 2023 and the rate will be published on the Company’s website thereafter.

Re-election of Directors

In accordance with the UK Corporate Governance Code (“2018 Code”) and the Company’s Articles of Association, all Directors will be standing for re-election this year. Each Director being proposed for re-election is considered to be effective in their role and commits the appropriate time for board and committee meetings. I therefore believe that each of the re-elections are in the best interests of the Company.

The biographical details of each of the Directors are set out in the explanatory notes included in the Notice.

Recommendation

The Board considers all proposed Resolutions set out in the Notice to be in the best interests of the Company and its shareholders. Therefore, the Directors unanimously recommend that shareholders vote in favour of all ordinary Resolutions numbered 1, 2, 3.1 to 3.2, 4.1 to 4.9, 5.1 and 5.2 and 6 and special Resolutions numbered 7.1, 7.2 and 8 as they intend to do in respect to their own beneficial holdings.

Actions of shareholders

We would like as many shareholders as possible to attend our AGM but appreciate this is not always possible. Even if you are unable to attend in person, your vote is important and if you want it to count, please ensure you complete and return the form of proxy to our registrars before 19 May 2023 (Canadian shareholders must return the form of proxy on 18 May 2023). Details of electronic voting instructions are set out in the Notice.

Questions and answers

We encourage and value engagement with shareholders and if a shareholder would like to ask a question about the formal business of the Meeting, please email your questions to investor@centaminplc.com by 4:00pm BST on Friday, 19 May 2023. Alternatively, questions can be raised via the webcast platform before and during the AGM, to be answered at the end of the general Company presentation, after conclusion of the formal business, or in person for those wishing to attend the AGM.

We appreciate and thank you for your continued support.

Yours sincerely

James Rutherford

Chairman

3. PROXIES

- 3.1 This Notice is furnished in connection with the solicitation, by or on behalf of the management of the Company, of proxies to be used at the meeting or at any adjournment thereof. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally, by advertisement or by telephone, by Directors, officers or employees of the Company without special compensation, or by the Company's transfer agent, Computershare (as defined herein). The cost of solicitation will be borne by the Company at a nominal cost.
- 3.2 Each shareholder entitled to attend and vote at the Meeting (save in the event of any restrictions on gatherings which may prevent attendance) has the right to appoint a proxy (or proxies) to represent him or her or them and exercise all or any of their rights to attend, speak and vote at the Meeting or at any adjournment thereof. A shareholder can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share(s) held by the shareholder. Further details are set out in the notes to the proxy form. A proxy form, which may be used to make this appointment and give proxy instructions, accompanies this Notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. A proxy may be a person or a company and need not be a shareholder of the Company or the person designated by management in the enclosed proxy form. The right to appoint a proxy of your choice may be exercised by inserting the name of the person or company in the blank space provided in the enclosed proxy form or by completing another proxy form. If you do not have a proxy form and believe that you should have one, or if you require additional proxy forms (to appoint more than one proxy), please contact our Registrar's shareholder helpline on +44 (0) 370 707 4040.
- 3.3 On any poll that may be called for, the ordinary shares represented by a properly executed proxy given in favour of the person(s) designated by management of the Company in the enclosed proxy form will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot, and if the shareholder specifies a choice with respect to any matter to be acted upon, the ordinary shares will be voted accordingly.
- 3.4 3.4 The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the Meeting in person, in which case any votes cast by the proxy will be excluded and your proxy appointment will automatically be terminated. You may also revoke your proxy appointment by depositing an instrument in writing signed by you at the registered office of the Company no later than 10:00 am (BST) on 19 May 2023 (Canadian shareholders must return the form of proxy no later than 10.00 am (BST) on 18 May 2023), or in the case of any adjournment of the Meeting, on the date which is two days prior to the time of the adjourned Meeting, or with the Chairman of the Meeting on the day of, and prior to the start of, the Meeting or any adjournment thereof. A shareholder may also revoke a proxy in any other manner permitted by law.
- 3.5 To appoint a proxy, using the Proxy Form, the form must be:
- completed and signed;
 - sent or delivered to the Company at:

Jersey, Channel Islands

Computershare Investor Services (Jersey) Limited
c/o The Pavilions
Bridgwater Road
Bristol BS99 6ZY

Canada

Computershare Investor Services Inc.
c/o 100 University Avenue,
8th Floor,
Toronto, ON M5J 2Y1; and

- received by Computershare Investor Services (Jersey) Limited/Computershare Investor Services Inc. (“Computershare”) no later than 10:00 am (BST) on 19 May 2023 (Canadian shareholders must return the form of proxy no later than 10.00 am (BST) on 18 May 2023).

In the case of a shareholder, which is a company, the Proxy Form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the Proxy Form is signed (or a duly certified copy of such power or authority) must be included with the Proxy Form.

- 3.6 As alternatives to completing the hard-copy Proxy Form, you can appoint a proxy:
- a) by sending your signed Proxy Form by email to externalproxyqueries@computershare.co.uk or by facsimile to +44 (0) 370 703 6322 or (in the case of Canadian shareholders) to 1-866-249-7775; or
 - b) online at www.investorcentre.co.uk/eproxy using your unique Control Number and PIN set out in the enclosed Proxy Form.

For such electronic proxy appointments to be valid, they are to be received by Computershare no later than 10:00 am (BST) on 19 May 2023 (Canadian shareholders must return the form of proxy no later than 10.00 am (BST) on 18 May 2023).

- 3.7 CREST shareholders who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of it by using the procedures described in the CREST Manual. CREST personal shareholders or other CREST sponsored shareholders, and those CREST shareholders who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s (“EUI”) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer’s agent (ID 3RA50) no later than 10:00 am (BST) on 19 May 2023 (Canadian shareholders must return the form of proxy no later than 10.00 am (BST) on 18 May 2023) or, if the meeting is adjourned, 48 hours before the time of the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST shareholders and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST shareholder concerned to take (or, if the CREST shareholder is a CREST personal shareholder or sponsored shareholder or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST shareholders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com/CREST).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

- 3.8 In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s register of shareholders in respect of the joint holding (the first named being the most senior).
- 3.9 If you submit more than one valid proxy appointment in respect of the same share for use at the same meeting or poll, the appointment received last before the latest time for the receipt of proxies will take precedence.
- 3.10 Under the Companies (Jersey) Law 1991, a body corporate may only appoint one corporate representative. A share owner which is a body corporate that wishes to allocate its votes to more than one person should use the proxy arrangements.
- 3.11 3.11 Copies of the following documents are available for inspection during normal business hours at the registered office of the Company, 2 Mulcaster Street, St Helier, Jersey, JE2 3NJ on any weekday (Saturdays, Sundays and public holidays excepted) from the date of the Notice and at the place of the Meeting from 09:45 am (BST) until the close of the Meeting:
- (a) Executive Directors’ service contracts and letters of appointment for the Non-Executive Directors;
 - (b) the Directors’ deeds of indemnity; and
 - (c) the Memorandum of Association and Articles of Association of the Company.

4. NON-REGISTERED (OR BENEFICIAL) SHAREHOLDERS IN CANADA

- 4.1 Many shareholders in Canada and elsewhere are non-registered shareholders because the ordinary shares they own are not registered in their names but are instead registered in the name of an intermediary such as the brokerage firm, bank or trust corporation through which they purchased the ordinary shares. A non-registered (or beneficial) shareholder holding through the Canadian Register typically holds their ordinary shares either:
- in the name of the intermediary that such shareholder deals with in respect of the ordinary shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFFs, RESPs and similar plans); or
 - in the name of a clearing agency (such CDS), of which the intermediary is a participant.
- 4.2 The Company will not be relying on the notice and access delivery procedures outlined in National Instrument 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators (“NI 54-101”) to distribute copies of proxy-related materials in connection with the Meeting.

NOTICE OF MEETING 2023

NOTICE OF ANNUAL GENERAL MEETING (“NOTICE”) CONTINUED

4. NON-REGISTERED (OR BENEFICIAL) SHAREHOLDERS IN CANADA CONTINUED

- 4.3 Copies of the Notice of Meeting and the Proxy Form (collectively, the “Meeting Materials”) are being sent to both registered owners of the securities and to non-registered (or beneficial) shareholders holding through the Canadian Register. If you are a non-registered (or beneficial) shareholder holding through the Canadian Register, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.
- 4.4 In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to CDS and intermediaries (each as defined in NI 54-101) for onward distribution to non-registered (or beneficial) shareholders holding through the Canadian Register who are “OBOs” (as such term is defined in NI 54-101). The Company intends to pay for an intermediary to forward the Meeting Materials to OBOs, including a voting information form (as described further below).
- 4.5 If you are a non-registered (or beneficial) shareholder holding through the Canadian Register and you have not declined to receive the Meeting Materials, then you will receive either a voting instruction form or, less frequently, a partially completed Proxy Form. The purpose of these forms is to permit you to direct the voting of your ordinary shares that you beneficially own. If you are a non-registered (or beneficial) shareholder holding through the Canadian Register you should follow the procedures set out below, depending on which type of form you receive.

- (a) **Voting Instruction Form.** In most cases, you will receive, as part of the Meeting Materials, a voting instruction form. If you do not wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If you wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), then you must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to you.

Or

- (b) **Proxy Form.** Less frequently, you will receive, as part of the Meeting Materials, a Proxy Form that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of ordinary shares beneficially owned by you, but which is otherwise incomplete. If you do not wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), you must complete the Proxy Form and deposit it with the Computershare, as described above.

If you wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), you must strike out the names of the persons named in the proxy and insert your name (or such other person’s) name in the blank space provided.

- 4.6 In any case, the purpose of this procedure is to permit a non-registered (or beneficial) shareholder holding through the Canadian Register to direct the voting of the ordinary shares which they beneficially own. Should a non-registered (or beneficial) shareholder holding through the Canadian Register who receives one of the above forms wish to vote at the Meeting in person, such beneficial owner should strike out the names of the management proxy holders and insert his or her name in the blank space provided. Non-registered (or beneficial) shareholders holding through the Canadian Register should follow the instructions on the forms they receive, including those regarding when and where the forms are to be delivered, and contact their Intermediaries promptly if they need assistance.

5. MATTERS TO BE ACTED UPON AT MEETINGS

Resolutions 1 to 6 are each proposed as ordinary resolutions including the Resolutions at 3.1 to 3.2, 4.1 to 4.9 and 5.1 to 5.2 which will each be proposed as separate resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 7.1, 7.2 and 8 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

6. RECOMMENDATIONS

The Board considers that all Resolutions proposed at the Meeting are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the proposed Resolutions as they intend to do in respect to their own beneficial holdings.

7. VOTING

All Resolutions at the Meeting will be put to a vote on a poll, rather than being decided by a show of hands. The Board believes that this results in a more accurate reflection of the views of shareholders and ensures that their votes are recognised, whether or not they are able to attend the Meeting. On a poll, each shareholder has one vote for every share held.

ORDINARY RESOLUTIONS

Resolutions 1 to 6 are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, a simple majority (50%+) of the votes cast must be in favour of the resolution.

Resolution 1 – To receive the Annual Report and Accounts for the year ended 31 December 2022

The financial statements and the strategic and governance reports and auditor's report for the financial period ended 31 December 2022 will be presented at the Meeting. The Annual Report and Accounts for the financial period ended 31 December 2022 (the "Annual Report") and the Notice of Meeting are available on the Company's website at www.centamin.com. Shareholders will be given the opportunity to ask questions of the Board of Directors of the Company (the "Board") and the auditor of the Company in relation to the Annual Report at the Meeting.

Resolution 2 – Declaration of final dividend

A final dividend of 2.5 US cents (US\$0.025) per ordinary share (totalling US\$29m) in respect of the year ended 31 December 2022 is recommended by the directors for payment to shareholders who are on the register of members on 2 June 2023 and if Resolution 2 is approved, the date of payment of the final dividend will be 23 June 2023.

Resolution 3.1 – Directors' Remuneration Report

In accordance with accepted best corporate governance practice for a company whose shares are admitted to the premium segment of the Official List of the Financial Conduct Authority ("FCA") and to trading on the London Stock Exchange's Main Market, the Company will put its report on Directors' remuneration (other than the Directors' remuneration policy report) to a shareholder vote. The report on Directors' remuneration is set out in full on pages 119 to 147 of the Annual Report. The vote is advisory in nature and the Directors' entitlement to remuneration is not conditional on it being passed.

Resolution 3.2 – Increase the limit of the total fees payable to Non-Executive Directors

The shareholders are asked, in accordance with Article 39 of the Company's Articles which allows for Directors' fees to be increased by ordinary resolution, to approve an increase in the maximum aggregate amount of fees payable to Directors in any year from £950,000 (as approved by shareholder resolution at the annual general meeting on 8 April 2019) to £1,250,000. The cap does not apply to any salary, remuneration or other amount payable to a Director pursuant to other provisions of the Articles, including remuneration paid to the executive Directors.

The Company is seeking an increase in the aggregate maximum of such fees to ensure that there is adequate headroom for future appointments to the Board should those appointments be considered in the best interests of the Company.

Whilst succession planning of the Board will inevitably lead to replacement of existing Directors, there may be a period of time where the Board in number will have expanded during a period of transition. Although there are no current plans to increase the level of pay for non-executive directors, an expanded Board, in place during a transitional period, will mean there are more non-executive directors and an increase in fees during the transitional period. This level of fees will be re-visited in 2024 when the required changes to the Board have been implemented and the optimum number of Board members evaluated.

The proposed cap of £1,250,000 is in line with comparable companies and will provide flexibility both to respond to market conditions and in structuring the fees of individual Directors.

NON-EXECUTIVE DIRECTORS

All Non-Executive Directors have signed letters of appointment, under which their term of appointment is contingent on satisfactory performance and re-election each year in accordance with the Company's Articles. Annual re-election is consistent with Provision 18 of the 2018 Code which requires all Directors to be subject to annual election or re-election by shareholders. The Company does not have an established term limit for its Directors or a retirement policy. The Nomination Committee undertakes an annual assessment of the Board and it considers that this evaluation process is an effective basis to ensure Board renewal (where appropriate). It has therefore determined that set term limits are unnecessary.

When determining whether a director is independent, the Board adheres to the Directors' Test of Independence Policy, which is based on the 2018 Code and the definitions of independence in the Canadian Securities Administrators' National Instrument 52-110 – Audit Committees. The review carried out in 2021 confirms that the Company remains compliant with the provisions of the 2018 Code, whereby at least half the Board comprises non-executive directors who are determined by the Board to be independent. Each of the Non-Executive Directors are considered by the Board to be independent and free from any issues that may impair their ability to present their opinions and or mar their judgement. All the Non-Executive Directors have served on the Board for less than five years with the exception of Mark Bankes who reached his ten-year anniversary in 2021. Mark Bankes continues to be regarded as independent as the Nomination Committee were satisfied that he continued to demonstrate objective judgment and independence of thought by providing constructive challenge to the executive management. However, as a matter of good governance, the Board agreed that Mark Bankes would not serve on the Audit and Risk Committee or Remuneration Committee given his tenure.

No proposed Director of the Company or personal holding company of such person is, as at the date of this Notice, or has been, within 10 years before the date of this Notice, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued while the proposed Director was acting in the capacity as a director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after the proposed Director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

No proposed Director of the Company is, as at the date of this Notice, or has been within 10 years before the date of this Notice, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed Director of the Company or any personal holding company of such person has, within the 10 years before the date of this Notice, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed Director.

No proposed Director of the Company has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for such a proposed Director.

Resolution 5.1 and 5.2 – Appointment of auditor

Resolutions 5.1 relates to the reappointment of PricewaterhouseCoopers LLP as the Company's auditor to hold office until the next annual general meeting of the Company. PricewaterhouseCoopers LLP has been the auditor of the Company since June 2014 and has indicated its willingness to continue in office.

The audit partner will be required to rotate following the 2022 year-end audit having served on the audit for five years. A further audit partner will then carry out one full year, during which time the Audit and Risk Committee will undertake a formal tender for the external audit.

Resolution 5.2 relates to the authorisation of the Directors to set the remuneration of PricewaterhouseCoopers LLP.

NOTICE OF MEETING 2023

NOTICE OF ANNUAL GENERAL MEETING (“NOTICE”) CONTINUED

7. VOTING CONTINUED

Resolution 6 – Allotment of share capital

The purpose of Resolution 6 is to renew the Directors’ power to allot relevant securities.

The authority in paragraph (a) will allow the Directors to allot up to 385,483,565 new shares and other relevant securities which is equivalent to approximately one-third of the total issued ordinary share capital of the Company as at the date of this Notice.

Consistent with the guidance from the Investment Association (“IA”) on the expectations of institutional investors in relation to the authority of directors to allot shares, upon the passing of Resolution 6, the Directors will have the authority (pursuant to paragraph (b) of the Resolution) to allot ordinary shares in connection with a fully pre-emptive offer in favour of ordinary shareholders up to 770,967,130 new shares and other relevant securities (as reduced by the number of relevant securities issued under the authority conferred by paragraph (a)). This amount (before any reduction), represents approximately two-thirds of the total issued share capital (excluding treasury shares) of the Company as at the date of this Notice. This authority will expire following the next annual general meeting in 2024 or 30 June 2024, whichever is the earlier.

As a result, if Resolution 6 is passed, the Directors could allot shares representing up to two-thirds of the current issued share capital pursuant to a fully pre-emptive offer.

There are no present plans of exercising either of the authorities sought under this Resolution 6 except under paragraph (a) in connection with the Company’s obligations under its existing performance share plan and the Centamin Incentive Plan.

The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

For the purposes of this resolution, a “relevant security” has the meaning given in the Company’s Articles, being shares in the Company other than subscriber shares, or shares allotted pursuant to an Employee Share Scheme (as defined in the Articles), and any right to subscribe for or to convert any security into, shares in the Company. For the avoidance of doubt any reference to the allotment of relevant securities includes the grant of such a right but not the allotment of shares pursuant to such a right. References to the allotment of “relevant securities” in the resolution shall be construed accordingly.

As at close of business on the date of this Notice the Company did not hold any treasury shares.

SPECIAL RESOLUTIONS

Resolutions 7.1, 7.2 and 8 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 7 – Disapplication of pre-emption rights

Resolution 7.1 gives the Directors authority to allot shares in the capital of the Company pursuant to the authority granted under Resolution 6 above for cash without complying with the pre-emption rights in the Company’s Articles in certain circumstances. As a result, in accordance with the Pre-Emption Group’s Statement of Principles 2022 on Disapplying Pre-Emption Rights (Statement of Principles 2022), the Directors are seeking authority to disapply pre-emption rights in two separate resolutions:

- (a) the first, Resolution 7.1, seeks authority for the Directors, pursuant to the allotment authority in Resolution 6, to disapply pre-emption rights and (a) allot shares for cash or sell treasury shares for cash in connection with pre-emptive offers and offers to holders of other equity securities or as the Directors consider necessary (and on the basis that the Directors can make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems, such as fractional entitlements and foreign securities laws); and (b) up to 115,645,070 equity securities (as such term is defined in the Articles) representing approximately 10% of the issued ordinary share capital of the Company as at the date of this Notice (the latest practicable date prior to publication of this Notice) otherwise than in connection with an offer to existing shareholders on a pre-emptive basis; and
- (b) the second, Resolution 7.2, seeks authority for the Directors to disapply pre-emption rights and allot new shares and other equity securities pursuant to the allotment authority in Resolution 6, or sell treasury shares for cash up to 115,645,070 equity securities (as such term is defined in the Articles) representing approximately an additional 10% of issued share capital of the Company, but only for the purposes of financing a transaction which the Directors determine to be an acquisition or a specified capital investment, as contemplated by the Statement of Principles 2022.

Resolutions 7.1 and 7.2 are in line with the disapplication authorities permitted by the Statement of Principles 2022. This allows the Directors to allot shares for cash otherwise than in connection with a pre-emptive offer: (i) up to 10% of the Company’s issued share capital for use on an unrestricted basis; and (ii) up to an additional 10% of the issued ordinary share capital where that allotment is in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the allotment.

The aggregate nominal amount set out in Resolutions 7.1 and 7.2 represents approximately 10% respectively (a total of approximately 20%) of the number of ordinary shares issued by the Company's as at 30 March 2023, the latest practicable date prior to publication of this Notice. The Directors regard this amount and the amount to be paid as beneficial for the Company and shareholders, offering financial adaptability while adhering to best practices and guidelines.

The amount to be paid to the Company in respect of the equity securities to be allotted will be determined using a fair and reasonable valuation method or pricing mechanism agreed upon by the Directors. As the Company is a no par value company, the allotted equity securities will not have a nominal value. The chosen method and the resulting amount will be disclosed in the announcement of the allotment at the appropriate time, ensuring transparency and compliance with the requirements of Article 4.2(b) of the Company's Articles.

The Directors have no present intention of exercising this authority but they consider their grants to be appropriate and in the best interest of the Company in order to preserve flexibility in the future to capitalise on strategic opportunities, all while adhering to the guidelines set by the Statement of Principles 2022.

Issues of shares to satisfy awards made under the Company's restricted share plan are, pursuant to the Company's Articles, not subject to the right of pre-emption and so any such issues will not count towards the limit set out above.

Both authorities will expire on the earlier of either the conclusion of the next annual general meeting of the Company or the close of business on 30 June 2024.

The Directors are aware that the Statement of Principles 2022 include provision for follow-on offers but have decided that they do not wish to provide for this additional flexibility at the current time, but will keep emerging market practice under review.

Resolution 8 – Market Purchases of Ordinary Shares

(a) Share Capital

As at the date of this Notice, the issued share capital of the Company comprised 1,156,450,695 ordinary shares.

Subject to the passing of the special resolution at the Meeting granting the proposed mandate to the Directors of the Company to repurchase ordinary shares in the capital of the Company ("Ordinary Shares") (the "Repurchase Mandate") and on the basis that no further Ordinary Shares are issued or repurchased up to the date of the Meeting, the Company will be allowed to repurchase Ordinary Shares up to a maximum number of 115,645,070 Ordinary Shares (being 10% of the issued share capital of the Company as at the date of this Notice) during the period ending on the earlier of the conclusion of the next annual general meeting of the Company and the date by which the next annual general meeting of the Company is required to be held by the Articles or any applicable law.

(b) Reasons for Repurchase

The Directors have no present intention of exercising this authority; however, the Directors believe that it is in the best interests of the Company and the shareholders to seek a general authority from the shareholders to enable the Company to repurchase Ordinary Shares on market. Such repurchases may depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per share and will only be made in compliance with the FCA's Listing Rules and all applicable laws and regulations and when the Directors believe that such a repurchase will benefit the Company and the shareholders as a whole.

(c) Funding of Repurchase

Repurchases made pursuant to the proposed Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Articles and the laws of Jersey.

The maximum price (excluding expenses paid by the Company) payable pursuant to the Repurchase Mandate is the highest of (i) 105% of the average of the closing middle market prices for the Ordinary Shares of the Company derived from the London Stock Exchange Daily Official list for such Ordinary Shares for the five business days immediately preceding the date of purchase; and (ii) the higher of the price of the last independent trade and the highest then current independent bid on the trading venues where the purchase is carried out, and the minimum price is not less than £0.01. Any share repurchase will also need to comply with the requirements of applicable Canadian securities law and the Toronto Stock Exchange. On the basis of the consolidated financial position of the Company as at 31 December 2022, being the date of its latest audited accounts, the Directors consider that if the Repurchase Mandate was to be exercised in full at the currently prevailing market value, it may have a material adverse impact on the working capital position and gearing position of the Company. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

There were no options outstanding at the date of this Notice.

8. VOTING OF PROXIES BY THE CHAIRMAN

In the absence of a contrary instruction, the person designated by management of the Company in the enclosed proxy form intends to vote FOR each of the proposed resolutions, unless the shareholder who has given the proxy has directed that the ordinary shares represented thereby be voted against such resolutions or have their vote withheld.

9. INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Board aims to ensure that shareholders are provided with important information in a timely manner through written and electronic communications. It is for this reason that the Company established a Shareholder Communications Policy, through:

- the Annual Report;

Any material feedback is then discussed at Board level.

The Board recognises the importance of keeping the market fully informed of the Group's activities and of communicating openly and clearly with all stakeholders. The Company has established a formal Continuous Disclosure Policy to ensure that this occurs. The policy is designed to ensure compliance with the listing rules in all jurisdictions in which the Company is listed.
